## NOTE FROM DOUG

Hey friends!

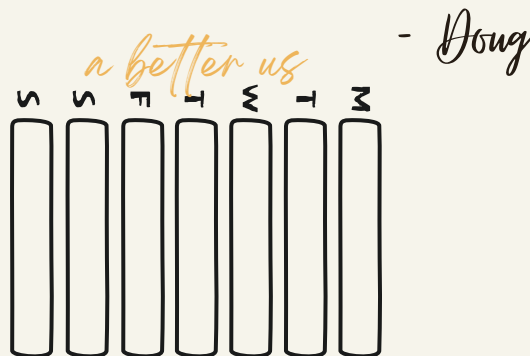

I'm so THRILLED to be back at Marriage Matters after our summer break! And, I'm beyond THRILLED that you're here tonight.

If this is your first time [cue celebratory music]... welcome! I'm pretty confident you'll have a good experience and we'll see you again next month. The confidence comes from the fact that the couples who come to Marriage Matters keep coming back because tonight "scratches an itch" for most marriages. There's no such thing as a perfect marriage, but there is always hope for a Better US. So, first-timer... welcome and know that I'd love to meet you (if we can find each other in the crowd).

If you're a returnee... yippee [sound the music]. I'm so grateful for you and the fact that you care about your marriage. I think you'll find tonight a compelling picture of where we're going this year during our sessions together. I'm pretty darn excited about tonight and the next 7 Marriage Matters.

Make sure to get the dates on your calendar, protect those nights, arrange the baby-sitting and LET'S GO!

I've been praying for the couples who are coming tonight... welcome!

- Doug
