### Lauren's Giving Story:

Lauren and her husband were committed to having Christ at the center of their marriage, but she struggled to find community at Mariners. She felt like her experiences were too different from everyone else's which caused her to withdraw. It wasn't until they went to Marriage Matters that she shared this feeling and someone responded with an encouraging word to her. "They said, you're thinking about what you'll get out of it. You're not thinking about what other people will get from hearing your story and learning about your experience." From there, Lauren and her husband went through Rooted and joined an incredible community.

Lauren and her husband are one of 1,000 couples who have been impacted by Marriage Matters. Their story is about how they took the healing lessons they gained and generously shared them with more people in their life.

**Keep on asking...  
Keep on seeking...  
Keep on knocking...  
For everyone who asks, receives.  
Everyone who seeks, finds...everyone who knocks, the door will be opened...So if you sinful people know how to give good gifts to your children, how much more will your heavenly Father give good gifts to those who ask him.**

*Matthew 7:7-8,11*
